On the basis of the information acquired this is

- a conflict or a fight between children
- a case of hurt feelings due to misunderstandings
  - a single case of an aggressive or a hurtful act
  - continuous bullying  $\rightarrow$  to be directed to the KiVa team.

Also the cases which are not directed to the KiVa team require intervention! In these cases schools' established procedure takes place. For example, the class teacher tackles the situation discussing with the pupils involved, or the dispute is solved by mediation, or a sanction is given. In some cases, it will be necessary to be very assertive about the hurtful behaviour of the pupil.
